

Statement of the High-Level Expert Group on Sustainable Finance

The HLEG commends the European Commission for their resolve and ambition on sustainable finance and warmly welcomes the Action Plan for Financing Sustainable Growth. The HLEG worked diligently for over a year to make substantive, well-considered recommendations and we are delighted to see a comprehensive and clear response from the Commission. We strongly encourage all stakeholders to engage positively with the Action Plan to maximise the opportunity that sustainable finance represents to our economies and to the beneficiaries and savers that we all serve. HLEG members will no doubt continue to contribute to the implementation of the Commission recommendations in their individual, professional roles.
